MinecraftEdu

What?

Worlds that you can explore, build and discover. You will not need to use a Minecraft account to sign-on..

NOTE: MinecraftEdu clients cannot connect to regular Minecraft servers.

Connect To World?

1. Start MinecraftEdu Client by clicking icon on Desktop.
2. Press **Start MinecraftEdu.**
3. Select **MinecraftEdu** Login Mode and Press **Launch**.
4. After the client has started, type in a desired *username* and select your *gender*. Press **Continue**.
5. At the Main Menu select **Multiplayer**.
6. The group server should be listed. Select the server listed then press **Join Server** or double click server name.
7. Select *I am a Student* and choose your appearance. When ready, press **Connect**.
8. You should now be connected and in your group's world.
